7. General notes

- The Tariffs are applied to banks (respondents and counterparties) (hereinafter referred to as customers or a customer).
- The Tariffs can be amended, supplemented with preliminary notification of the customers by publishing on the official web-site of the Bank 5 days in advance before the new Tariffs come into force.
- Taxes, duties, mail/postal expenses, commissions of the correspondent banks participating in the transaction are charged additionally by factual cost.
- The specified pricing is applied only to the operations carried out in a regular order. Bank reserves the right to charge additional commissions or fees for operations which are not specified in the Tariffs but which exist in normal banking practice and in cases when operations require additional volume of work and/or in case of extraordinary circumstances. If there is a separate agreement between the Bank and the Customer for the services specified in the Tariffs, the Bank charges fees established in such agreement and execute operations or provide services according to terms of such agreement. In such cases the charges shall be agreed with a customer beforehand

- Commissions are charged by direct debit of a correspondent account of the customer held with the Bank on a monthly basis or shall be paid by a customer under a separate request of the Bank
- Commissions or fees paid by the customer are nonrefundable. Exception are commissions or fees which are charged by a mistake.
- If terms of letter of credit stipulate that charges and/or expenses of the Bank are to be paid by the bank who has no account with the Bank, charges and expenses can be deducted by the Bank from the proceeds under the letter of credit and are due on the date of the respective payment.
- Commissions and fees indicated in the Tariffs in USD under letters of credit and guarantees can be charged in RUB or other foreign currency. Calculations are effected according to the Bank of Russia rate on the date of rendering of service.
- Transfers in RUB, EUR and USD are executed on the business day of the receipt of the customers' payment order in case a payment order is received by the Bank before 4:00 pm Moscow time, and on the next business day if a payment order is received after 4:00 pm Moscow time. Transfers in other currencies are executed on the next business day in case a payment order is received by the Bank before 4:00 pm Moscow time. For the purpose of making non-cash transfers, the business day is determined by as the Bank's business day on which settlements are made in the payment currency by the Bank's correspondent banks, unless otherwise agreed with the customer.
